RE: IRM Utility, Inc. Petition to Amend Certificate of Convenience and Necessity (Docket No. 05-00055)

Dear Mr. Welch:

Applicants for Certificates of Public Convenience and Necessity are required to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of IRM Utility, Inc.'s ("IRM") amendment to its Certificate of Convenience and Necessity to provide wastewater utility services to the portion of Sevier County, Tennessee known as Sterling Springs Subdivision ("Sterling Springs"), you are requested to respond to the following

1. Please provide the estimated amount of contributed capital to IRM once the system is transferred to IRM
2. Please provide an estimate of the maximum capacity of the system being installed in the area requested.
3. Please provide an estimated date construction will begin and the date it is estimated to be completed.
4. Please provide the proposed tariff sheets showing the rate applicable to the new territory
5. Will the system being constructed for Sterling Springs be capable of serving more than the Sterling Springs Subdivision? Will the system be designed for expansion?
6. For purposes of this Docket, please provide a description of the technology that is being used for the wastewater system in Sterling Springs Subdivision
7. The Data Response filed June 30, 2005 indicated that supplemental information would be filed at a later date for questions 2 and 11. Please provide
8. Please provide pre-filed testimony

It is requested that this information be provided no later than 2:00 P.M. on Friday, July 22, 2005 and that you reference Docket No. 05-00055 on the response. In accordance with TRA rules, submit either (1) thirteen (13) written copies of your response or (2) four (4) written copies and an electronic version

Should you have any questions regarding this request, please contact Patsy Fulton at 615-741-2904 ext. 193.

Sincerely,
